

Nore bollard

fixed & removable installation options

041-9832591 | info@ipl.ie | www.iplgroup.com

Classic design bollard suitable for both town and rural landscape, for new developments and upgrades of existing streetscapes.

features...

Strong galvanised steel post and cast aluminium construction with black polyester-powder coated finish as standard. This bollard can be specified either ground-fixed or removable with RS socket.

options...

- Cast aluminium crest
- 3M diamond grade reflective tape
- 8mm galvanised heavy-duty short-link chain
- Customer colour requirements
- Reinforced core post
- RS socket (for removable & locking option)

RETENTION SYSTEM™

THE INTELLIGENT FOUNDATION FOR POST INSTALLATION

Versatility & foresight:

Specifying the use of RS sockets anticipates the expected installation demands, maintenance needs and lifecycle of the post.

www.retention-system.com

Identity can be augmented with optional cast shield for town and county crest or corporate logo.

A combination of fixed and removable bollards may be used to manage access control.
