

Deelee bollard

fixed & removable installation options

041-9832591 | info@ipl.ie | www.iplgroup.com

Classic light-weight design bollard suitable for hazard identification and access control installations when used with RS socket.

features...

Strong galvanised steel post and cast aluminium construction with black polyester powder-coated finish as standard. This bollard can be specified either ground-fixed or removable with RS socket.

options...

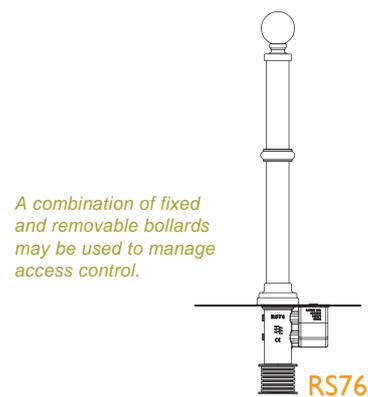

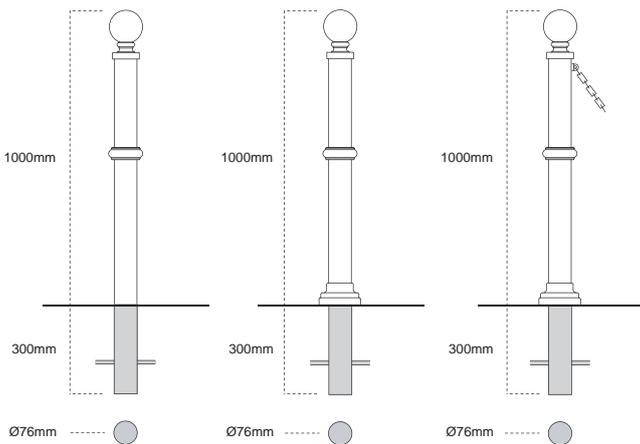

- Cast aluminium crest
- 3M diamond grade reflective tape
- 8mm galvanised heavy-duty short-link chain
- Customer colour requirements
- Reinforced core post
- RS socket (for removable & locking option)

THE INTELLIGENT FOUNDATION FOR POST INSTALLATION

Versatility & foresight:
Specifying the use of RS sockets anticipates the expected installation demands, maintenance needs and lifecycle of the post.

www.retention-system.com

A combination of fixed and removable bollards may be used to manage access control.
